A New Candidate Out For Circuit Clerk of Yazoo Co.

MR. A. B. (BERT) NEWMAN, OF SATARTIA, PRESENTS HIS CLAIMS
AS A CANDIDATE FOR CIRCUIT CLERK
OF YAZOO COUNTY.

Satartia, Miss., July 20, 1915.—To the Voters of Yazoo County: At the urgent solicitation of my friends throughout the county I have, at the last moment, decided to become a candidate for Circuit Clerk.

I am frank to admit that until a short time ago, I had no thought of making the race. But in the judgment of many of the best people of the County it is well that the voters be given the opportunity of a wider choice than is offered with only one candidate in the field. And the earnest appeal of my friends and acquaintances throughout the county seemed to me to make it a duty that I could not rightly evade to enter the contest. And while I am not unmindful of the honor that would be conferred upon me if I should be elected, I can sincerely say that it is in response to what I feel to be the call of duty that I have become a candidate for Circuit Clerk.

I was born in Yazoo County and have lived here all my life. I have never before been a candidate for any office. I have always been interested in the upbuilding of the county, and have done everything in my power as a private citizen to promote the best interests of our people. If I should be elected to the office for which I have now become a candidate I would conscientiously labor for the same end by the faithful and efficient performance of all its duties.

I think there can be no question as to my ability to perform the duties of Circuit Clerk. I have had much business training, both in clerical and executive positions, as have given me the practical experience necessary for the right administration of the position. I do not hesitate, without permission, to refer to any bank or business house in the county as to my integrity, my ability and my competency to give the people of the county good and efficient service in the office to which I aspire. If I were not

fully satisfied as to my ability to perform the duties of the office satisfactorily, I would never have announced for the position.

In the limited time before the primary it will probably be impossible for me to see all the voters personally, though I will do my utmost to see as many as I can. I earnestly solicit the support of those whom I may not be able to see as well as of those to whom I may be able to appeal personally.

If you will elect me as your Circuit Clerk I promise to make you the best official in that position that it is possible for me to make.

Respectfully,

A. B. NEWMAN.

REILY A METHODIST.

Has All the Earmarks of the Genuine Article.

Yazoo City, Miss., July 20, 1915.—Editor Sentinel: Marion W. Reilly is a graduate of the Catholic Brothers College, a Catholic institution at Natchez, Miss., and says he is a shouting Methodist; was raised by Methodist parents, contributes to the Methodist church; goes to the Methodist Sunday-School and falls from grace every morning. In fact, he backslides so much he has the hole right slick. Nobody but a Methodist could do the stunts Reilly pulls off. I am a Methodist myself, and I know.

I knew Reilly was a shouting Methodist the first time I saw him. He is familiar with all the old Methodist hymns, such as "Alas and did my Savior Bleed," "Did Christ Over Sin Weep," "Am I a Soldier of the Cross," etc. Don't know how it came that he was not named Lorenzo Dow, or Robert Paines. I guess, though, he was not named Robert Paines for the

same reason I was not named Pat Murphy.

You may know that Reilly is true blue, for he is not afraid to tell anybody that he is a Methodist. That's just the way with a fool Methodist—tells it to anybody.

Reilly is going to join the Methodist Church when he is elected Governor. You know that is so, for a Methodist preacher said so. One Methodist is not going to lie on another Methodist. Oh we Methodists! Did you ever hear Reilly say, AMEN! AMEN! You ought to just hear him say it. Sounds just like a camp meeting. My, my, but he would be a whole team in a camp meeting. But you just wait till he is elected Governor.

ZULPECK.

PARFAY is a howling success. One glass will convince you.

Notice.

The Board of Mayor and Aldermen will receive bids at their regular meeting Aug. 9, 1915, to audit the city books for a period of one year from Sept. 1, 1914. Said audit to consist of the Mayor and Police Department, Assessor and Collector's office, City Clerk's office and Street Railway Department.

H. W. McCORMICK,
City Clerk.

Vote for Ney Williams, the People's Choice, for District Attorney.

CHANCERY NOTICE.

"BUNK" WILBURN, CANDIDATE FOR PENITENTIARY TRUSTEE

Native of Yazoo County Reviews an
Honorable Life Record, and
Promises Faithful and
Efficient Service
If Elected.

To the Citizens and Voters of Yazoo County:

There being twenty counties in this middle district, I am hindered from the great pleasure of making a thorough canvass of my native home, the grand old county of Yazoo, in the interest of my candidacy for the important office of Penitentiary Trustee. Therefore, I take this plan to ask you to give me your vote and influence in the August primary, promising you if I am elected to be honest and attentive to the duties of said office, as the law governing it may desire.

I was born and raised on the farm just east of Benton, and worked for my parents until I became of age. Then I moved to Pickens and clerked for my older brothers, saved my money, built and ran a livery and sale stable, sold it out and bought the interest of one of my brothers, and merchandised with the other for sixteen years, doing the contracting and buying, general merchandising, cotton and farm products and my brother ran the office and books.

I married a native Yazoo County girl at

Benton and with her economy and good judgment and Christian life, we have prospered and taken care of it.

I was Sheriff of Holmes County from 1904 to 1908, and took care of and saved what it profited me, and have been checked and found O. K. by County Auditor, Revenue Agent and Expert Accountant. I am now a farmer and own lands near Benton and rent it out and furnish my own labor.

With my business experience and success of my own business affairs and all that has been intrusted to me, before you for investigation. I ask your vote on my merits, and promise strict business attention to the office of Penitentiary Trustee, the financial income of the State.

I will especially appreciate a great big vote in my native home, the grand old county of Yazoo.

Thanking you in advance, I am,

Yours truly,

W. W. ("Bunk") WILBURN
